

MR. CAPRI'S "CAUGHT & CUT" WINTER DINNER SERIES

Presented by Janare Wines

When the crowds thin and the air cools, winter is when the dinner table becomes the destination for Capri locals.

Caught & Cut is our new Capri-style surf and turf dinner series: two nights each, ***Caught*** belongs to the sea with bright, flame-kissed seafood. ***Cut*** belongs to the fire with the warmth and comfort of grilled meats.

Presented by Janare Wines, these Tuesday dinners are designed for lingering, slowing down, and enjoying your own destination table at Mr. Capri.
